HAYMES PAINT

For over 85 years Haymes Paint has been producing high quality Australian Paint. Born in Ballarat, Haymes is a proud family owned business, now in the capable hands of the fourth generation Haymes family. Our business lives by an ethos of never taking shortcuts on quality, and is proud to be Australia's largest 100 per cent Australian-made and family-owned paint manufacturer.

Colours shown are as close to actual paint colour as printing processes allow. Due to varying light reflection from different paint gloss levels and surface textures, colour can vary between surfaces. Please see in store for a Haymes Sample Pot to check the colour. This card is manufactured under a management system that encompasses ISO14001 and Eco-Management and Audit Scheme (EMAS). 09/20. ABN 14004201638. COL0283. We care about the future of the environment and encourage you to return your card to the store for reuse or recycling.
